

## KEEP CLEAN DIESEL TREATMENT

**FOR ALL AUTOMOBILES AND LIGHT TRUCKS:**

**\$9.95**

This concentrated formula provides a speedy, short term solution for emission testing problems. It safely enhances the output performance power of fuel and will not harm the catalytic converters or sensors.

The use of Keep Clean Diesel Treatment **guarantees 100%** that you will pass emissions testing\*. *50ml bottle*

**Overall Benefits:**

**Removes** rust and corrosion

**Reduces** harmful emissions

**Improves** fuel economy

**Cleans** fuel delivery system

## FOLLOW THESE DIRECTIONS EXACTLY TO ENSURE THE BEST PERFORMANCE IMPROVEMENT

**A few things to know before you get started:**

Do not mix our product with another fuel treatment.

For a permanent solution we suggest that you first use the [Performance Restoration Kit](#) followed by the [Engine Protection Kit](#).

We strongly recommend that you keep up your manufacturers' maintenance program. Changing fluids regularly is the key to successful car maintenance.

**Directions for Keep Clean Diesel Treatment:**

For diesel engines only:

Add 50ml of Keep Clean Diesel Treatment to 10-20 gallons of fuel.

Drive for 20 minutes prior to emissions testing.

**CAUTION: KEEP OUT OF REACH OF CHILDREN**

Harmful if swallowed. Do not induce vomiting. Seek medical attention. Wash hands thoroughly with soap and water after use.

\*The vehicle must have a properly installed catalytic converter. In case of unlikely problems, please send us a before and after emissions report. This way we will be able to serve you more efficiently.
