

**ONE TIME USE TREATMENT FOR ALL AUTOMOBILES AND LIGHT TRUCKS:**

**\$15.95**

This product contains our proprietary Pfl™ formula that chemically bonds a micro-thin permafused anti-wear lubricant film to all lubricated metal surfaces inside the gear box. Scientifically engineered to migrate into gear and bearing surfaces providing full Pfl™ protection from friction, wear and heat. [4oz bottle](#)

**Overall Benefits:**

**Improves** overall performance

**Extends** gear life

**Reduces** heat, wear, friction

**FOLLOW THESE DIRECTIONS EXACTLY TO ENSURE THE BEST PERFORMANCE IMPROVEMENT**

**A few things to know before you get started:**

This is a permanent product.

Additive package in this formula is compatible with transmission oils meeting or exceeding warranty requirements.

Do not mix our product with another. If your transmission has some other kind of treatment in it we recommend that you first change the fluids and then add our products.

We strongly recommend that you keep up your manufacturers' maintenance program. Changing fluids regularly is the key to successful car maintenance.

**Directions for Manual Transmission Protection "ATF Fluid":**

Drain gear oil.

Refill with specified lubricant, allowing for the 4 fl oz of Manual Transmission Protection "ATF" fluid.

Do not overfill.

**CAUTION: KEEP OUT OF REACH OF CHILDREN**

Harmful if swallowed. Do not induce vomiting. Seek medical attention. Wash hands thoroughly with soap and water after use.
